## Idaho Industrial Commission (IIC) Announcement

### IIC EDI Claims Release 3 Mandate Date Changed to November 4, 2017

Date: March 9, 2017

This correspondence is to provide an update on the implementation of IIC EDI Claims Release 3.0 for First Report of Injury (FROI) and Subsequent Report of Injury (SROI).

IIC is changing the Mandatory Period Start Date from July 1, 2017 to November 4, 2017 for electronic reporting of IIC EDI Claims Release 3.0 for First Report of Injury (FROI) and Subsequent Report of Injury (SROI).

The change to the IIC mandate date was decided after consideration of recent requests from IIC Trading Partners to extend the date to allow more time for testing and implementation.

IIC will distribute an announcement when the updated IIC EDI Claims Release 3.0 Requirement Tables, Implementation Guide and Transition from Paper-IAIABC EDI Claims Release 1 to Release 3 Guidelines are available for download on the IIC EDI Claims Services Website <https://iicedi.info>.
