Idaho Industrial Commission (IIC) Announcement

Important Idaho EDI Claims Updates: Updated EDI Requirement Tables (Version 1.5) and Additional Website Documents Due To Mandate Date Change to November 4, 2017

Date: March 24, 2017

The Mandatory Period Start Date has been changed from July 1, 2017 to November 4, 2017 for electronic reporting of IIC EDI Claims Release 3.0 for First Report of Injury (FROI) and Subsequent Report of Injury (SROI). The decision to delay the IIC mandate date was made after consideration of recent requests from IIC Trading Partners to allow more time for testing and implementation. Due to this delay, we have had to update existing documents on the IIC EDI Claims Services website.
